OPEN SWITCH SENDS BIG ENGINE ASTRAY

The Ewa train, due to arrive here at 8 o'clock last evening, was inadvertently brought to an abrupt stop at the turntable, about 100 yards from the Honolulu station. In leaving Ewa the train was about fifteen minutes late and fast time was made. Engineer Cordelra, keeping a sharp lookout. Suddenly a sharp jerk was felt, caused supposedly by the application of the air brakes, and then a complete stop. It was found, a few minutes later, that through the alleged carelessness of a switchman, the switch had been set for the turntable. The engine was resting easily in the pit without any damage beyond a broken coupling which connected the tender and the baggage car. The fireman had time to jump when the accident was foreseen, but Engineer Cordelra stuck to his post, and immediately upon the train stopping started preparing his engine for transmission to the tracks again.

Engineer Cordelra was praised by the passengers and the general tenor of the conversation was that but for his ability as an engineer and timely usage of the air-brakes many passengers might have been injured.

BORN.
STANLEY—In Honolulu, Sunday, November 15, 1908, to Judge William L. Stanley and wife, a daughter.

BY AUTHORITY

THANKSGIVING PROCLAMATION.

The President of the United States having designated Thursday, the 26th day of November, 1908, as a day of general thanksgiving and prayer, I recommend that all the people of this Territory observe that day appropriately. During the past year all things have worked together in an unusual degree for the welfare of Hawaii; the prosperity and progress has been such as to call for a special sense and manifestation of gratitude. Therefore let the people assemble at their places of worship or in their homes for praise and thanksgiving to the Almighty for blessings received and prayer for future guidance; let there be family reunions, entertainment of strangers, cessation from labor as far as practicable and abundance of charity.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the Territory to be affixed.

Done at the Capitol in Honolulu, this 14th day of November, A. D., 1908.

W. F. FREAR,
By the Governor:
